Munich – Tegernsee – Garmisch – Neuschwanstein – Lake Constance – 7 Days/6 Nights

### Servus and welcome to Bavaria!

The Southernmost German region will surprise you with new experiences while travelling in Bavaria. Exploring the charming Bavarian countryside, Alpine scenery, towns and villages you will gain a great many cultural experiences. There is a treasure for you to discover along the Romantic Road between Franconia and the Alps.

Bavaria offers a rich heritage of customs and beliefs reflected by many local religious and secular festivals. These cultural traditions date back to medieval times, the renaissance, e. g. Albrecht Dürer, royal personalities such as Sissi, King Ludwig II. and the artists' circle of Blauer Reiter, Tegernsee.

### Munich - one of the top European travel and business destinations

Munich's Italianate architectural splendor and old-world charm adds a Southern European touch to the city. The Bavarian capital with more than 100 theaters and museums and a multi-ethnic community offers a very vivid cultural life. The annual Oktoberfest with more than six million visitors during sixteen days has turned into a global trade mark. The city is home of BMW, MAN and Siemens and many high-tech and IT-companies. And it's just a stone's throw away from the beautiful Bavarian Alpine scenery. Come and explore Munich, enjoy its international atmosphere and the many genuine Bavarian locations and restaurants in town and allow for some time in the enchanting countryside.

### Lake Constance

Three countries and one lake ... there is hardly any better description for the international, yet German speaking region of Lake Constance with its cultural diversity and scenic beauty of nature as well as the fruit growing areas and wineries around the lake. Come and discover the historical, cultural and scenic gems the area of Lake Constance has to offer. We chose Constance (German Konstanz), the largest and best-known city on Lake Constance as the base for the last phase of your honeymoon trip. The region is characterised by unspoiled landscape, palaces and castles. You will be enchanted by the landscape with reed-clad shores, breathtaking views, orchards, gently rolling hills, and not least, the islands of Mainau and Reichenau. There is a lot to explore on your strolls through well restored old towns, castles and palaces, medieval churches, and, of course, the taste of the regional cuisine typical of Lake Constance.

### Day 6 Day at leisure in Konstanz

The city's location on Lake Constance, a precious preserved old town with winding streets and a magnificent minster, international flair and, of course, the island of Mainau as part of the city make Konstanz a very attractive holiday destination. From 2014 to 2018, Konstanz is celebrating the 600th anniversary of the Konstanz Council under the banner "Europe is our guest". Enjoy the ambiance of the well preserved old town at your leisure, shopping, a coffee break or a glass of wine overlooking the lake.

### Our suggestion: Excursion to the island of Mainau

The 45 hectare Mainau Island is located in the proximity of Konstanz just off the shores of the lake. For more than 150 years the old palm house with giant sequoias has been welcoming visitors to enjoy botany. Around a million tulips, rhododendrons, scented roses, perennials and colourful dahlias bloom in the park and gardens. Palms and citrus plants add a Mediterranean flavour to the island in the summer time. Visit the Baroque castle dating back to 1746 and the castle church St. Marien as the architectural highlights of the Baroque era.

## Day 7 All around the lake: Konstanz – St. Gallen – Bregenz – Pfänder – Lindau – Munich

Today you will travel in your private vehicle with your private driver guide through three countries in one day! In the morning you will be entering Switzerland at Konstanz neighbouring town of Kreuzlingen and travel for two hours through Switzerland to St. Gall where you will visit the famous Abbey cathedral with its unique library. Upon lunch you will continue to Bregenz and take the cable car to the Pfänder, the mountain overlooking Lake Constance. With its unique views over Lake Constance, Austria, Germany, Switzerland and 240 Alpine peaks, the Pfänder (1,064m) is the most ideal vantage point in the area. In the late afternoon continue via a short stop-over at Lindau with its old town situated on an island in the lake and reach Munich in the evening. Check-in at your hotel. End of servies.
